I'm honored to have had the opportunity to serve our club over the last 6 years. I've held multiple chair positions, served on several different committees, and spent a total of 4 years on the elected board. There is more work to be done and I feel it's important that we all get involved and take ownership of our club succeeding.

In the 3 years that I was President of the VBSC I listened to what you've had to say and made attempts to make changes that positively affect our club. We maintained opened and transparent meetings and kept your interest at heart in every decision that we made. I will continue with the same vigilance that I displayed previously. I am very familiar with the VBSC Bylaws, Standing Rules/Operating Procedures as well as Parliamentary Procedure. If I am elected President, I will continue to work on your behalf as we take this club into the future.
