

*Making the most of your next SOS event at North Myrtle Beach*

## **LESSONS**

Shag lessons are offered in the late mornings at Fat Harold's, Ducks, OD Arcade, and the OD Resort by nationally known instructors. Group classes are usually one-hour lessons for \$10 per person. Check the club links on the SOS website for details.

If you like a particular instructor, watch their personal Facebook page, their group Facebook page, and the SOS group page to see their flyers/posts for class schedules. Sometimes they will post on their personal page long before they post to SOS page.

- **Charlie and Jackie** teach at Fat Harold's regularly during SOS. They do rotate partners during lessons.
- **Sam and Lisa** normally teach at the O.D. Resort
- **Ashley and Tobitha** normally teach at O.D. Arcade. Their instructional style is good for all dance levels.
- **Steve Balock and Myers Floyd** normally teach at Ducks. They teach mainly lead/follow steps and footwork. Go to one of their early classes to get a USB drive with videos of all their lessons before it sells out. They usually do not rotate partners but will on occasion.
