

This year seemed to fly by, and I'm grateful for the opportunity to serve you. I've been so fortunate to have a board that shares the same vision and goals that I do which is to grow and support our wonderful club. I've also been blessed to have members that are willing to help and bring me ideas on ways to improve on what we do. I'm looking forward to my 6th and ***FINAL*** year as your President. I have a rather aggressive list of items that I'd like to accomplish next year. With your continued support I think that we can get this done.

Here's wishing you a very Merry Christmas and a Happy New Year!

Jack Witzenfeld
President, VBSC
