

Making the most of your next SOS event at North Myrtle Beach

ACCOMMODATIONS

Popular Hotels for the SOS community:

- **Avista** offers 1-, 2-, and 3-bedroom condominiums with full kitchens, most with washers and dryers. It is oceanfront, and about two+ blocks from Main St. The units are well-appointed, with a living room as well as separate bedrooms. The large parking garage is across the street from the resort. They will shuttle you via golf cart, from the resort to the parking garage. Full resort amenities within the facility.
- **The OD Resort** is an oceanfront hotel-type property with great beach views, lots of amenities, parking and most importantly, within walking distance of the clubs. The rooms are comfortable but a little bit dated. The rooms include a refrigerator and microwave. They offer standard rooms and “suites” that include a sitting room with television and a small table. This is the closest property to Main St, located right at the end of Main St. This is the most convenient for walking to the Shag Clubs. This facility includes the Spanish Galleon, Harolds on the Ocean, and the Shagger’s Hall of Fame.

Rental Agencies: There are two vacation rental agencies on Main St.; Seaside Vacations (SeasideVacations.com) and McMillan Real Estate, Inc. (McMILLANVACATIONS.com).

VRBO has some options within walking distance to the clubs.

Restaurants and Meals: There are numerous restaurants throughout NMB, some are within an easy walk of Main Street and others within driving distance. Many of these restaurants have gluten-free options. During SOS restaurants are crowded and wait staff is limited. If you are not prepared to wait for your meal, then consider lodging where you can cook your own meals.
